

WEATHER SEAL PRODUCTS

**VISCO** Weather Seal Products  
7 Victory Avenue  
Johnston, RI 02919  
**1-800-628-9680**  
**[www.viscoproduct.com](http://www.viscoproduct.com)**

**Visco Produces Industry-Leading Weather Seal Products**

Visco Weather Seal Products has 50 years of experience designing, manufacturing and marketing industry-leading sealing products for windows and doors used in new construction and retrofit applications. Visco also holds a number of patents for its unique products and continues to design sealing products for custom applications.

**Visco Offers A Complete Line of Sealing Products**

As shown under the tabs of this binder, Visco offers a complete line of sealing products in every product category. To assure that the line is as complete and cost-effective as possible, Visco also selects complimentary products from other leading manufacturers. If you do not find the product you need, please contact our production design service for assistance.

**Visco Offers Design Service For Custom Products**

Visco has the capability to design and manufacture custom sealing products for your special needs. If you can not find a suitable product in this catalog, please contact us. We will design and make custom sealing products for your specific requirements.

**Visco's Products Are Approved For Sound Abatement**

Many of Visco's products are used in sound abatement programs across the country, including Massport in Boston, and airports in Providence and Baton Rouge. Please consult with us for your sound abatement applications.

**Visco's Products Reduce Heating And Cooling Costs**

Many of Visco's caulking, insulating and sealing products are being used to reduce both heating and a cooling costs in residential and commercial buildings. Please consult with us for all your energy reduction needs.

All Thresholds are made with a heavy duty aluminum extrusion in mill finish. They are available in any length up to 24' linear feet. They are predrilled and counter-sunk. Wood screws and plastic or lead anchors are provided. The AT-599 and AT-1000 are available with either a gray or black vinyl insert, or with a brush fin-seal insert.

**SPECIFICATIONS**

- **Construction:** Heavy duty aluminum extrusion.
- **Finish:** Mill finish aluminum (US27).
- **Lengths:** Any length up to 24 linear feet.
- **Mounting Hardware:** Wood screws and plastic anchors are provided with 36", 42", and 48" thresholds.

**AT-401**

- 4" Flat Threshold
- 1/2" Rise

**AT-600**

- 5" Flat Threshold
- 1/2" Rise

**AT-601**

- 6" Flat Threshold
- 1/2" Rise

**AT-700**

- 7" Flat Threshold

## Air Conditioner Window Kit

VISCO has solved the problem of fitting your Air Conditioner into your window.

Its clean, affordable, and as easy as 1-2-3!

The "L SHAPED FOAM" is uniquely designed to fit securely into most window frames.

Each package contains 3 pieces of sturdy, durable foam enough for an entire window.

Made of durable, flexible polyurethane foam contoured to fit most windows.

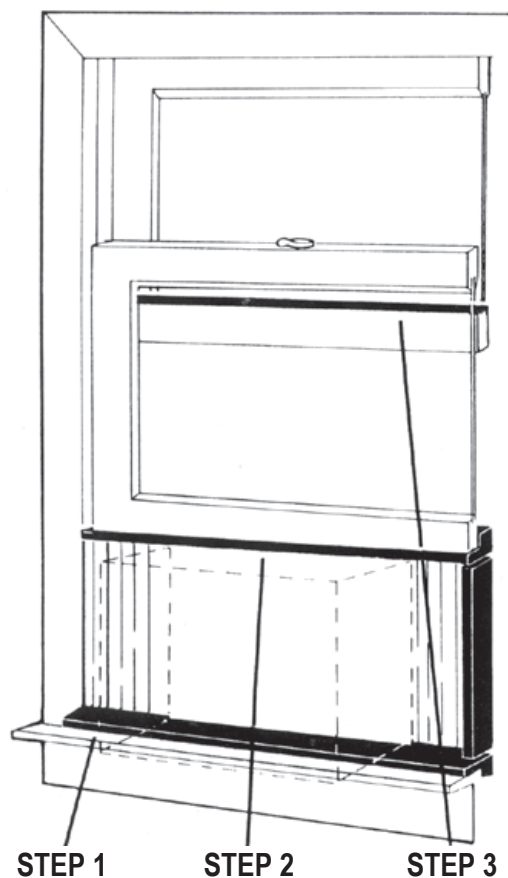

Purchase individually or in a new convenient P.O.P. (Point of Purchase) display box of 48, complete with UPC bar coding.

**KEEP OUT UNWANTED WEATHER.  
TRY THIS NEW VISCO WEATHERSEAL PRODUCT.**

Now available by calling 1-800-628-9680, or in Rhode Island call 831-1665, FAX: (401) 751-2720.

- Reduces Vibration
- Protects Window Sills
- Saves Energy
- Improves Air Conditioning
- Keeps Insects Out
- Makes Installation A Snap

***Throw Away Your Old Rags & Duct Tape!***

## E-Z FIT

### Air Conditioner Replacement Panels

#### UNIVERSAL FIT

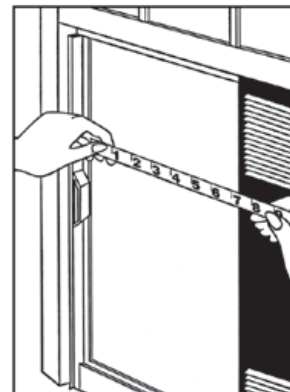

Make installing any size and any model A/C clean and easy.

- Complete Kit Includes All Hardware
- Fits Most Window A/C's
- Weatherproof
- Easy To Install
- Insulation Value Increases A/C output
- Keeps Out Bugs
- Reduces Vibration And Noise
- Neat And Clean
- E-Z 3 Step Installation

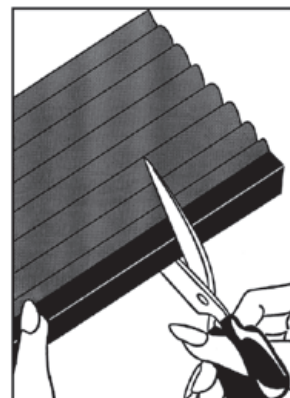

*Throw Away Your Old Rags & Duct Tape!*

Average installation time – 20 min.

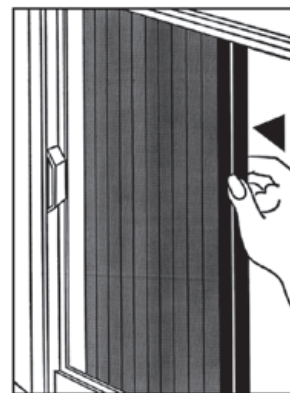

- 1 Remove existing side panels, leaving only the frame. Measure the inside of the A/C frame when extended to the window jamb.

- 2 Cut the foam to fit.

- 3 Slide panel into A/C frame placing the plastic channel against A/C body. Install A/C according to manufacturer's directions.

Patent Number: D-417, 725

## BS-196 - Brush Door Sweep

**Construction:** Extruded Aluminum

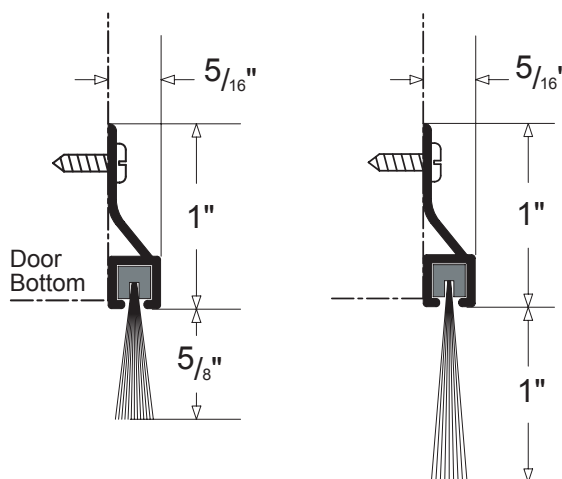

**Insert:** 5/8" or 1" Nylon Brush Strip

**Finish:** Aluminum or Brown Anodized Finish

**Lengths:** Sold by the linear foot

## An Element of Protection From The Elements

### We keep out what belongs out.

VISCO Door Sweeps are made to withstand mother nature's harshest conditions. Our weatherseals provide a tight air and water seal, while permitting ease of door operation.

### Sizes, colors to fit your needs.

We feature eight door sweep models in varying standard sizes but can cut to fit specific size requirements. Our door sweeps offer the versatility of both kerf mount and Staple-up profiles for easy application.

Select from standard beige or bronze colors.

### Products made to endure tough conditions.

All of our products are made of the highest quality thermoplastic materials for durability. And we engineer and produce each shape to fully meet our customer's exacting requirements.

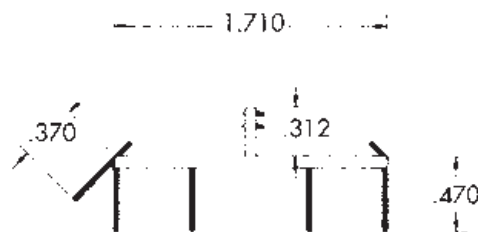

Whether ordering door sweeps or another custom profile extrusion, you'll get quality products, design assistance, prompt delivery, emergency service, and a willingness to provide what you want.

### Quick delivery, easy installation.

Our quick ship program will fill your order fast. Ready for installation, simply apply a bead of caulking and insert or staple into place. Quick and easy.

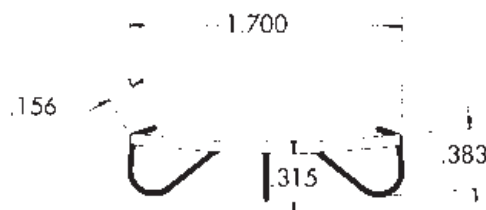

## PP952

Single Barb Leg Door Sweep with 4 sealing wands & drip cap.

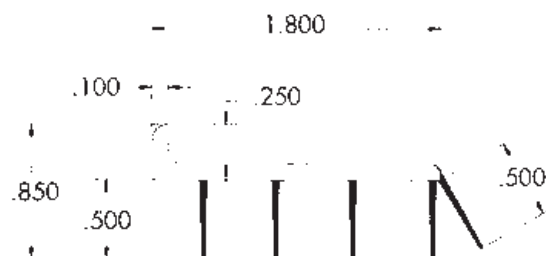

## PP990

Non-Handed, Dual Bulb Door Sweep with center sealing leg.

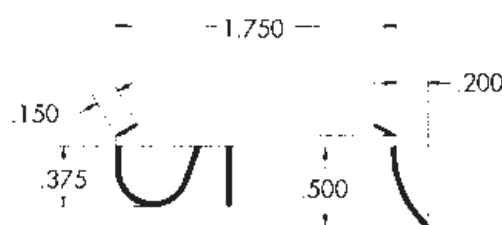

## PP991

Rigid Staple or Screw Mounted Door Sweep offers 4 sealing wands & drip cap

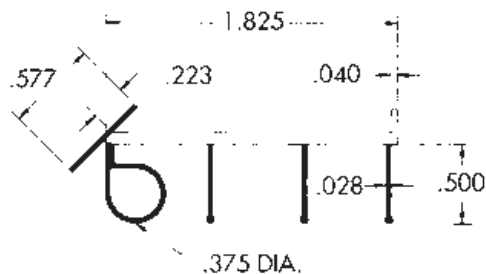

## PP997

Staple Mounted Door Sweep features exterior bulb and extended interior leg to assure tight seal.

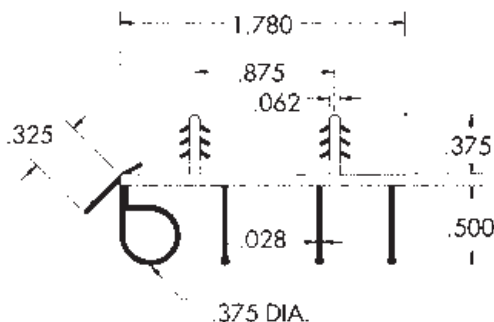

### PP998

**Staple Mounted Door Sweep** with bulb and 4 sealing wands. Flexible TPE material withstands the harshest elements.

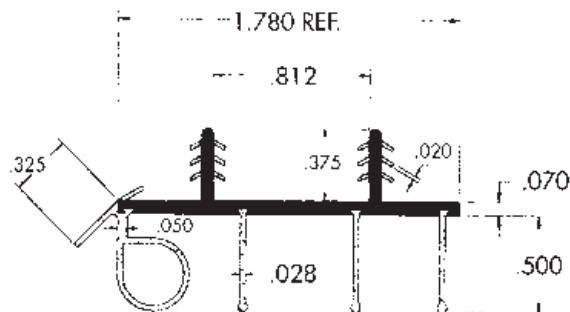

### PP1000

**Dual Kerf Mounted Door Sweep** features exterior bulb seal with 4 sealing wands. Barbed legs are prenotched for easy application.

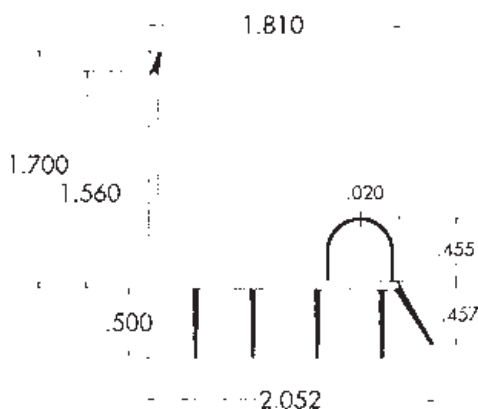

### PP1226

**Dual Kerf Mounted Door Sweep** featuring both Pro-flex\* heat and mechanical lock design with exterior bulb seal and 4 sealing wands.

### PP1217

**Adjustable Door Sweep** offering a maximum amount of installation forgiveness. Provided with mounting holes for variable door sill heights.
